| <b>Team ID</b>       | XXXXXX                                |
| <b>Project Name</b>  | A Comprehensive Measure Of Well-Being |
| <b>Maximum Marks</b> | 4 Marks                               |

### Empathy Map

Create an empathy map to understand your customer/user from four perspectives - what they Say, Think, Do, and Feel - in relation to the problem your project addresses. This helps the team build a customer-centric solution.

|                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                         |
